<p>I'm a young person and don't think this should happen . The roads are already so busy and dirty and this will make it worse . We love the countryside around our home and don't want it destroyed . The trees in the woodland have been there for years and should be protected and looked after not destroyed .</p> <p>I'm worried if you say yes to this development then you are saying yes to all the countryside being built on , you should be saving it for us. Where else will be go when it's all concrete ?</p>
