<p>This is a beautiful piece of land enjoyed by locals. I live locally and regularly commute via this site. It is already an extremely busy area - i feel that adding housing would increase traffic on the local roads, risking the safety of residents and those visiting to use the recycling centre, garage and post office. Not only this, it would add pressure to local schools and businesses accommodating more people. This is not just about a beautiful piece of land but the knock on effects of surrounding villages. Vivly already have so many unfilled developments in our area, there really is no need for more!</p>
