Re: Proposed Development of 123 Houses at Barnsley Road

Dear Sir/Madam,

I am writing as a family member who visits relatives in the village regularly and would like to share my concerns about the proposal to build 123 houses on the land at Barnsley Road.

Whenever I visit, one of the things I enjoy most is walking through the nearby countryside and woodland. The open views and peaceful green spaces are a big part of what makes this area so special.

My understanding is that this land is part of the Green Belt, which is meant to help protect countryside like this and keep villages from spreading into each other. A development of this size would change the character of the area and lead to the loss of these open views and green spaces.

I don't think the village infrastructure could cope with this development.

I hope the importance of protecting the Green Belt and the countryside that so many people enjoy will be carefully considered.

Yours faithfully,

1 Daleside, WF12 0PJ
