<p>My wife says we shall have to move...money won't matter because of the shocking destruction of family greenbelt heritage. Money being put in front of ecology wildlife and regional history.</p> <p>Destruction of ancient woodland and Neolithic site.</p> <p>Fields that are still farmed by an actual farmer going to be turned into an eyesore increasing the size of a the village by a 3rd with no amenities. Road already dangerous but let's chuck a lot more traffic onto Barnsley Road blackspots. There is drainage all over that field which goes into the wood and feeds it. What happens when the sewage tank fails?? It all runs off and pollutes the Dearne valley!</p>
