

## About the application

Application number: 2025/93572	
What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Access to Green belt is essential to the human race for well being. Building this development on such land would be a dangerous precedent. We need to protect green space for everyone. The ancient woodlands immediate to the development are a haven for wildlife and humans alike and the landscape will be completely changed if this is allowed. We also need resources that match the population of an area. 125 houses would see a significant increase in the need for school places and the health services of doctors and dentists. Shepley medical practice stated on their website that the building developments in Shepley had put a significant burden on the surgery. This would add to that. Denby Dale too is already a traffic nightmare with limited parking to access shops. Wakefield Road through Denby Dale and Scissett is already heavily congested. Please listen to the considerable concerns from residents about allowing development on green belt.</p>
