What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to the proposed building on several grounds</p> <p>1.The land is designated green belt and should not be built on.</p> <p>2 .The proposed buildings are too close to old established woodland which is a valuable local resource for wildlife and flora and is enjoyed by the public. This view is supported by arborists .</p> <p>3 A development of this size would adversely affect the characters of both Upper Cumberworth and Denby Dale. Almost having the effect of joining the villages together.</p> <p>4. There would be a considerable increase in the amount of traffic locally. Currently the junction at the Birdsege end of Carr Hill Road is busy and already can feel dangerous to negotiate at times both on foot and driving. In addition the junction at The Sovereign is a known accident black spot and it is ridiculous to consider adding to the amount of traffic already there.</p> <p>5.Yorkshire Water has objected to the building due to identified flood risk and pollution risk Their view has to be respected.</p> <p>6.There is not enough truly affordable housing within the plans.</p>
