Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Having once again spent the weekend with close friends in Cumberworth I was appalled to find out about the proposed planning application to build 123 houses on the beautiful field off Park Lane. We often walk this way, down through the wood and back via Quaker Village. This development will ruin a spectacularly beautiful area. The views from Birdsedge down to Cumberworth will be ruined forever and the impact on the ancient woodland will be hugely detrimental. We moved away from Northallerton when it was ruined by excessive building. We have seen first hand what happens when greedy developers are allowed to build on green belt. How once one application on green belt is passed then it becomes a free for all amongst developers, and how villages lose their identity as they merge into one. It would be such a shame for the same to happen to Cumberworth and the surrounding villages.</p> <p>Please keep the green belt as green belt and let the farmers continue to grow crops on the land. I noticed that last time we walked that way the field had winter turnips and sheep in it. It has now been sown with another crop. It should be a crime to allow land of this calibre to be built upon. I cannot object strongly enough to this shockingly bad development application.</p>
