Application number: 2025/93572	
What is the application for?:	Outline application with all matters reserved, bar vehicle access into the site,
Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The land is green belt and not within land set aside in the Local Plan by Kirklees for building on.</p> <p>The Barnsley Road is a very busy road and turning out from the estate will cause a hazard. Added to this the known accident black spots at Carr Hill Road and Sovereign junction will both be affected by the additional number of cars.</p> <p>The local transport links are poor, hourly buses at the busiest times, the need for school buses to ferry children, a small train station also with hourly trains, all means residents will have to use their cars.</p> <p>Most of Carr Hill Road has no pavement and walking along there during rush hour the fast cars and Lorries that use it seem not to follow the speed limit, whether walking with dogs or young children it can be very intimidating. Vehicles use that road as a 'rat run' to avoid the Sovereign Junction, whether they are turning at the top towards Sheffield or Huddersfield.</p> <p>The land adjacent to it is an important piece of ancient woodland and the amount of run off from the estate will undoubtedly affect the natural environment.</p> <p>Local services are already stretched and this will be further impacted by another 123 homes.</p>
