Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I grew up in Upper Cumberworth and when I started my family we moved away to holmfirth, this was due to the lack of facilities in Upper Cumberworth. The application states the village wants young families due to facilities in the local area however this is incorrect, denby dale has the more family friendly facilities and to walk down from Upper Cumberworth is dangerous due to how busy that road is and the fact the pavement barely fits me and my child's pram. The houses are being built on a green belt which I've admired growing up, seeing the animals and birds which utilize the field which will all be lost if the planning goes ahead. I still come back to the village to meet my parents and take the dogs out for local walks around the ancient woods which we love dearly and would be devastated to know they could be damaged by the housing estate and the local wild animals will suffer. When trying to exit Cumberworth road to join Barnsley road is difficult and takes a long time due to the increase vehicles on the road, I believe with this development this would make it extremely dangerous and time consuming to visit the village. The village is great for elderly and older families, I do not believe the village is suitable for younger families to live, but to visit it is an amazing place, to go for walks and enjoy a drink the the local pub, and I truly believe the housing development will destroy the integrity and charm of this village.
