Address of the site or building:	Land South of, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8NN
Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to this proposal due to the massive effects it will have on the natural environment in the area. Many animals and creatures will lose their habitats..including some endangered species. The ancient woodland attached will be negatively impacted due to runoff...noise...huge incase of useage and aesthetically.</p> <p>The increase in traffic will cause a huge impact on the roads in Upper Cumberworth..and other local villages. The state of the roads is horrendous as it is..so the increase in the volume of traffic will be disastrous. The local junctions already see many vehicle accidents.</p> <p>Local amenities will suffer..doctors..dentists..schools.</p> <p>The land identified is not on the local plan for kirklees as building land. It is agricultural..for animal grazing and food crops. How can 123 houses be built on it? Kirklees council cannot grant permission for this massive development. The whole area will be negatively affect in so many way.</p>
