<p>1. Conservation of the natural environment. This is an important area of green belt preserving the rural nature of upper Cumberworth</p> <p>2. Impact on highway safety and traffic. Let us assume 123 houses adds a minimum of 150 cars. They will need to access an already busy road, with limited parking in the shopping areas and significant safety shortcomings in Denby Dale and Upper Cumberworth posing a risk to pedestrians and cyclists</p>
