Re: Objection to Proposed Development of 123 Houses at Barnsley Road

Dear Sir/Madam,

I am writing to object to the proposed development of 123 houses on the land at Barnsley Road Upper Cumberworth. Ref: 2025/60/93572/E

Although I am not a resident, I visit the village regularly and walk in the nearby ancient woodland. It should be protected and i am disappointed this is even considered. The open fields and woodland make this area so special and wr must protect the nature.

The site is Green Belt land and building such a large number of houses would permanently change the character and vista of the area and remove valuable open countryside. It would also affect local wildlife.

The increase traffic along Barnsley Road will place additional pressure and pollution.

Green belt should be protected at all costs.

Please, Kirklees Council, refuse this application and protect the countryside and woodland that provide such important benefits to both residents and visitors.
