Subject: Vivly living application -2025/60/93572/E and recent comments made about BNG payments

Dear Sirs

Given the recent news we have been given regarding the section 106 contributions which Vivly are not paying and don't seem to have any intentions to pay, until Kirklees grant planning permissions. We feel there are some issues which affect this application directly. There would be further BNG contributions for the Upper Cumberworth proposals.

Vivly cannot be submitting proposals for Sensitive Greenbelt sites and then not paying the BNG contributions, this is simply unacceptable.

King Regards
