Good Afternoon,

I wish to object to the application on the grounds of green belt land. The site is designated green belt and developing on it would risk creating larger homogenised villages. I live in Skelmanthorpe and I love to visit my girlfriend in Upper Cumberworth and enjoy the space, the nature and lack of pubs, cafes, shops, etc. Upper Cumberworth is a charming quiet village and it makes no sense to build so many properties. This development is planned in the wrong place:

The increased footfall and road traffic would be harmful to the area and natural wildlife. When I walk in the area I see deer, birds, squirrels - it is wonderful and I would hate to see it gone.

Kind regards,
