<p>I am 9 years old and Upper Cumberworth is my home. I love the fields and all of the wildlife and walking in the woods which is my favourite place. I don't want the village I have grown up in to be ruined. So many houses would mean so many more people that I would not know. The woods are safe and the animals that have lived there for hundreds of years deserve to be safe. If the trees and stream are affected and there's lots of noise and cats they will need to move away. It makes me sad, please stop the houses being built.</p>
