<p>I would like to object to the proposed development on numerous grounds.</p> <p>The land in question is designated as Green belt, in a small beautiful village and this development would considerably change the character of the village.</p> <p>It would increase the population by around a third, adding more cars on the already dangerous road junctions, as transport links are very poor.</p> <p>It is too close to the Ancient Woodland and would have a massive detrimental impact on the diverse wildlife that inhabit it.</p> <p>Once built on, it is gone forever!</p>
