<p>My Objection, would be purely based upon the fact the land is designated Greenbelt and the application has no justification at all, stating why housing is suitable here. Such a poor compilation of documents with errors and mistakes throughout.</p> <p>For someone to be able to generate a huge profit margin out of buying land 20 years ago, and then waiting for the covenant for no built to run out, is disgraceful. Greenbelt is always Greenbelt, and because the land owners want to sell the land to buy their families homes is not the reason to lose such important green infrastructure.</p> <p>The landowners have had enough money from their previous land sales and should have made an absolute fortune in the past.</p> <p>They had their chance.</p> <p>Greenbelt will always be Greenbelt in Upper Cumberworth.</p>
