<p>As a property which backs onto the garden of Squirrel Lodge, I feel that if consent is given to build such a large extension, it will be very close to the footings of the boundary wall. Looking from the kitchen and upstairs bedroom of our property, all we will be able to see is a tall building. As we only have a small courtyard area at the back of our property and the conservatory is only a 3-4 feet away from the boundary wall, the proposed building will block all the light and what sunshine and breeze we have here will be blocked by the side of this.</p>
