## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This will be out of character for the area and property and the large balconies and window will look across to our windows to with I do not agree, not to mention the noise factor that would disrupt our at the front of the house. The noise has been an issue at present with alterations being made, going on at 2-3 in a morning wich is highly unacceptable
