Subject: 2026/90174 Longley Farm, Holmfirth

Hi Katie,

Further to review of submissions on this application, as referred to in the submitted Transport Statement dated 21/1/2025. It is anticipated that there will be no material increase in trips associated with the proposal as the additional products can be accommodated within the existing fleet of vehicles. In addition there will be no increase in staff vehicles or parking. As such the proposal is considered acceptable overall with no specific highways related conditions required.

Regards
