2015**

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2026/62/90197/W

To: Jonathan Lovatt,
Eight One Two Architects
Studio A2
Brooke's Mill
Armitage Bridge
Huddersfield HD4 7NR

For: C KHANGURA

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

ERECTION OF DETACHED SINGLE STOREY DWELLING

At: ADJ, 84, JAMES STREET, GOLCAR, HUDDERSFIELD, HD7 4HT

In accordance with the plan(s) and applications submitted to the Council on 27-Jan-2026, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.

Reason: To ensure compliance with Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specification schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP1, LP2, LP7, LP20, LP21, LP22, LP24, LP26, LP28, LP30, LP35, LP52 and LP53 of the Kirklees Local Plan, and Chapters 2, 4, 9, 11, 12, 14, 15 and 16 of the National Planning Policy Framework 2024.

3. The external walls of the dwelling hereby approved shall be constructed in natural coursed stone to match the adjacent buildings in terms of colour, texture, size and coursing. All pointing shall be flush or slightly recessed and finished in mortar to match the existing surrounding stonework. Any sedum roofs shall be installed prior to the first occupation and retained thereafter.

Reason: In the interest of visual amenity and the character of the Golcar Conservation Area, in accordance with Policies LP24 and LP35 of the Kirklees Local Plan, The Kirklees Housebuilders Design Guide SPD and guidance contained within Chapter 12 and Chapter 16 of the National Planning Policy Framework 2024.

4. All new windows and door opening within the dwelling hereby approved shall be set back within reveals a minimum depth of 150mm from the external face of the wall and retained thereafter.

Reason: In the interests of high-quality design and to preserve the character and appearance of the Golcar Conservation Area in accordance with Policies LP24 and LP35 of the Kirklees Local Plan and Chapter 16 of the National Planning Policy Framework 2024.

5. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2025 (or any order revoking and re-enacting that order with or without modification), no development shall take place within the curtilage of the dwellinghouses hereby approved which falls within Schedule 2, Part 1, Classes A, B,C,D,E,F and Schedule 2, Part 2 Classes A and B without the prior written consent of the Local Planning Authority.

Reason: In the interest of visual amenity and so as to preserve the character of the Conservation Area, in accordance with Policies LP24 and LP35 of the Kirklees Local Plan and Chapter 12 and Chapter 16 of the National Planning Policy Framework 2024.

6. The parking spaces shown on drawing no. 25_813 103 A, titled As Proposed_ Site + Location Plan, shall be laid out, surfaced and clearly marked out and made available to use prior to the first occupation of the dwelling hereby approved. The parking spaces shall thereafter be retained and kept available for use by occupiers of the dwelling hereby approved and No.84 James Street, unless otherwise agreed in writing by the Local Planning Authority. **Reason:** To ensure satisfactory parking provision in the interests of highway safety, in accordance with Policies LP21 and LP22 of the Kirklees Local Plan and Chapter 9 of the National Planning Policy Framework 2024.

7. The window in the Southern Elevation serving the WC as shown on drawing no. 25_813 101 A, titled As Proposed_ Floor Plans + Elevations, shall be fitted with obscure glazing prior to the first occupation of the dwelling hereby approved and shall thereafter retained as such.

Reason: In the interest of safeguarding neighbouring residential amenity, in accordance with Policy LP24 of the Kirklees Local Plan and Chapter 12 of the National Planning Policy Framework 2024.

8. Prior to the first occupation of the dwelling hereby approved, details of all boundary treatments associated with the private amenity space, including any walls, fences, gates or screening, shall be submitted to approved in writing by the Local Planning Authority. The approved boundary treatments shall be installed prior to the first occupation and retained thereafter.

Reason: In the interests of residential amenity of neighbouring and future occupiers and visual amenity and to accord with Policy LP24 of the Kirklees Local Plan, principles 5 and 6 of the Council's adopted Housebuilders Design Guide SPD and Policies within Chapter 12 of the National Planning Policy Framework 2024.

9. Prior to the first occupation of the dwelling hereby approved, details of refuse and recycling storage arrangements for the dwelling and No.84 James Street shall be submitted to and approved in writing by the Local Planning Authority. The approved arrangements shall thereafter be retained, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure satisfactory refuse and recycling arrangements in accordance with Policies LP24 and LP43 of the Kirklees Local Plan and Chapter 12 of the National Planning Policy Framework 2024.

10. Prior to the installation of any external lighting, a detailed lighting scheme, developed in accordance with established guidance (e.g. Bat Conservation Trust and Institute of Lighting Professionals (2023) Bats and Artificial Lighting at Night), has been drafted and agreed with the council. The Sensitive Lighting Strategy will demonstrate that the proposed lighting will not impact upon ecological networks and/or sensitive features. Thereafter the agreed lighting scheme shall be implemented, subject to any variations approved in writing by the planning authority. All external lighting shall be installed strictly in accordance with the specifications and locations set out within the Lighting Strategy.

Reason: In the interests of biodiversity and in accordance with Policy LP30 and Chapter 15 of the National Planning Policy Framework 2024.

11. In the event that contamination not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all works on site (save for site investigation works) shall cease immediately and the Local Planning authority shall be notified in writing within 2 working days. Works on site shall not recommence until either:

- a) a Remediation Strategy has been submitted to and approved in writing by the Local Planning Authority or,
- b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. Unless otherwise approved in writing by the Local Planning Authority, no part of the site shall be brought into use until such time as the whole site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To identify and remove unacceptable risks to human health and the environment and in accordance with Policy LP53 of the Kirklees Local Plan and the National Planning Policy Framework.

NOTE: The granting of planning permission does not authorise the carrying out of works within the highway, for which the written permission of the Council as Highway Authority is required. You are required to consult the Design Engineer (Kirklees Street Scene: 01484 221000) regarding obtaining this permission and approval of the construction specification. Please also note that the construction of vehicle crossings within the highway is deemed to be major works for the purposes of the New Roads and Street Works Act 1991 (Section 84 and 85). Interference with the highway without such permission is an offence which could lead to prosecution.

NOTE: All contamination reports shall be prepared by a suitably competent person, as defined in Annex 2 of the National Planning Policy Framework 2021.

Reports must be prepared in accordance with the following guidance:

- Land Contamination Risk Management (LCRM)
- BS 10175:2011+ A2:2017 Investigation of Potentially Contaminated Sites. Code of Practice
- Development on Land Affected by Contamination - Technical Guidance for Developers, Landowners & Consultants - (v11.2) June 2020 by the Yorkshire and Lincolnshire Pollution Advisory Group.

The conditions relate to Planning Control only. Approval under the Building Regulations may also be required, and the applicant should contact their Building Control Provider for further information. Any other necessary consent must be obtained from the appropriate authority. If the applicant commences work without discharging conditions, they will be at risk of enforcement action and invalidating the permission if the planning condition is a pre commencement condition.

NOTE: No construction related noise shall be audible beyond the site boundary outside the hours of:

- 07.30 to 18.30 hours Mondays to Fridays
- 08.00 to 13.00 hours, Saturdays with no construction related noise audible beyond the site boundary on Sundays or Public Holidays.

Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

NOTE: The applicant is reminded that if any evidence of bats, nesting birds, or other protected species is found during the course of works, all activity must cease immediately, and advice should be sought from a suitably qualified ecologist.

It is an offence under the Wildlife and Countryside Act 1981 (as amended) and the Conservation of Habitats and Species Regulations 2017 to disturb, or harm protected species or their habitats. Failure to comply with the legislation could result in prosecution.

CLIMATE CHANGE STATEMENT	-	-	27/01/2026

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2024 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application. Amendments were secured to address officer concerns regarding parking and site layout, including submission of revised plans and a revised red line boundary, which were subject to further consultation. The proposal has been assessed on the basis of the amended scheme.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](#)

Digital Infrastructure: Fibre To the Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.

-
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost-effective provision of fibre infrastructure in the future.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "submitted to and approved in writing by the Local Planning Authority".
- You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.
- This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible.

However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.

- You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.
- It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.
- If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre-commencement condition.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days of the date of service of the enforcement notice, or
 - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.

- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
