| <p>Saddened to learn of yet another large development in this area. Latham Lane is a quiet, scenic, country lane, used by the general public with several historic buildings in the local area, for example Red House, Gomersal Methodist and Gomersal Hall.</p> <p>Very old trees in the grounds of West House were felled some time ago for what was clearly a preparation for this. This development will change a beautiful country lane well used by many people in this area for recreation purposes. It is a narrow lane requiring 'give way' by cars and pedestrians when passing. Certainly not suitable for an increase in traffic (let alone the construction traffic!!)</p> <p>Kirklees have, in recent years have passed many large developments in Birkenshaw and Gomersal replacing all the most attractive, green areas.</p> <p>We strongly object to the development as a whole.</p> | |
