Dear Council

I am writing to voice objection to planning 2026/62/90211/E.

West House is an old historic home which is integral to the culture of Gomersal. I understand that they wish to put 9 new houses within their grounds which feels excessive and not within the historic feel and culture of the village. Also, the entrance to the property will be on Latham Lane, a narrow Road already popular with horse riders and hikers, which already has too much car traffic. 9 new houses will only make an existing problem worse.

Kind Regards
