<p>I support this application wholeheartedly and can see it bringing so many benefits to our lovely village of Marsden.</p> <p>I especially like the balanced approach taken to the plans with a great mix of keeping a key part of the heritage of the mills (such a key part of the village's history) combined with the planned additional parking, leisure and commercial space.</p> <p>I think this is all very exciting and really hope the application goes well and this work can be started and completed as quickly as possible.</p>
