Subject: RE: Attached letter from Kirklees Council regarding application number 2026/90254 at location land at, Vanguard Processing Equipment, Spa Fields Industrial Estate, Slaithwaite, Huddersfield, HD7 5BB

Further to the DOC application no 2026/90254 submitted in connection with the above, I would like to advise the following:

Condition 10 (retaining walls and Boundary Treatment) - This condition cannot be discharged pending the submission of X-sectional details, as advised in the condition, so as to establish whether the design of any of the proposed retaining walls adjacent to the highway will be liable to a formal technical approval?
