Dear Planning Officer

2026/62/90271/E - Change of use of existing industrial storage unit to wholesale supermarket, erection of single-storey extension, formation of mezzanine level, installation of canopy over customer entrance, external re-cladding and associated works at Pilgrim Foodservice, Forge Lane, Thornhill Lees, Dewsbury, WF12 9BU

I strongly object to the above application for an Asian supermarket at this property. The application will create all manner of new problems in the area including traffic, noise and disturbance late into the night and early morning deliveries, anti social behaviour, parking problems and rats.

This is a major application for a massive supermarket and I am not surprised that the applicant has not consulted with the local community. The details provided in the application are extremely poor. The local community does not need this use. There are already enough supermarkets in the area. This is the wrong location for a busy open all hour's supermarket.

Please refuse the application.
