Dear Sir

I've noticed planning application for a supermarket opposite to where I live . I think this place would be very disadvantageous to us living opposite it as we are already having problems exiting from our street The extra traffic will cause all of us opposite the supermarket ie orchard Croft lees house Rd Savile mews the annexe free masons hall old peoples home more problems as the school traffic and the increased number of construction lorries is already a nightmare for us Please consider us when you make your decision Yours sincerely Sent from my iPhone
