We object to building on protected green belt and the removal of hedges that are protecting diverse wild life 20+ bird species and our eroding banking, also the impact of flooding on our garden as before caused by the builders. And the huge impact of housing on our property and solar given height difference, No 25 and the block of flats will tower above us please come and stand on our patio and see for yourself. I also object on all the grounds I submitted on the last two plans as there is not enough capacity to vent all my feelings in 500 characters
