<p>I strongly object to this application due to the loss of valuable green space, increased traffic pressures and the unsustainable impact on local infrastructure. Schools are over subscribed and The proposed development would harm the area and remove one of the few remaining undeveloped spaces within a short walk. In addition, the increase in vehicle movements would add further pressure to local roads that are already experiencing congestion and parking issues. Similar proposals for this site have previously been refused, and the fundamental planning concerns remain unchanged. For these reasons, I urge the council to refuse this application.</p>
