<p>I would like to object to this planning application as I feel that our homes would suffer from loss of light as the proposed houses would be built above us on the banking, almost bearing down on us, loosing our privacy as well as light. The noise, muck &amp; dust from the building work would mean that we wouldn't be able to have our windows open or our washing out on the line! The traffic is already a nightmare on White Lee &amp; Carlinghow Lane, the soon to be building work at the school and this would be an absolute nightmare for residents within the area. This is a shared green space used by many, please do not build on greenfields, we need to protect them and the plants/animals that use them as their habitat! We don't have many left, once their gone, their gone, we can't invent new green belts/fields. Please use brownfields or re-use another area that has already been built on.</p>
