Dear Sir/Madam,

Apologies for sending this after the initial comment phase has closed, however I wanted to send a couple of photos as attached regarding comments that we added to the portal already.

[REDACTED] the proposed dwellings and the photos attached [REDACTED]  
[REDACTED] The 3 properties that are here already all sit at a very similar height, and where these two, three storey dwellings are proposed to be built would completely dominate that area there. Due to the angle of the road they would completely dominate [REDACTED] houses and would not be in keeping to the 3 houses/ bungalows here on this side of the road.

Kind Regards,

[REDACTED]
