Good afternoon,

I just wanted to write to put forward my objections to the above application for demolition of an end terrace house at 4 Fenay Bridge Rd, Fenay Bridge Huddersfield.

I object to this application on the grounds of release of carbon into the atmosphere during demolition. I also object to it on the grounds that, it forms part of a row of terrace cottages and demolishing the house will impact the remaining adjacent and joined houses and could destabilise the other houses in the terrace. I note the applicants wish to create a yard, but its purpose is not known. This is a residential area and the purpose of the yard is sought because its purpose may impact the remaining terrace homes in this quiet neighbourhood.

Thank you,  
Alison
