Dear Sarah,

I write in relation to the above planning application and to lodge my objection to the proposals for 45 Fenay Bridge Road, Huddersfield.

The application doesn't state what the proposed yard will be used for. Not only could this have a significant effect on our local wildlife, this could have a detrimental impact on the environment.

This is a residential area and depending on the usage this could have an impact on our quiet neighbourhood.

This would also lead to further traffic issues and potential parking issues on what is already a very busy through road.

Kind regards
