I joined Iglu sauna as a member 5 weeks ago after coming to a few sessions. I absolutely love it here, there is such a sense of peace and calm, being by the water and in a quiet space under the trees. As someone with lots of different health conditions, this sauna now plays a huge part in my wellbeing and I always feel mentally and physically better after a session. The community they have built is lovely and only 10 minutes away from where I live, which means it's an easy journey to break up a working from home week and focus on rest and relaxation.
