I have visited Iglu sauna at Slaithwaite once and I came by train. It was only a 10 minute walk from Slaithwaite station and the train journey from Leeds was only 30 minutes. Iglu sauna blends in with the surrounding trees and it is not intrusive. After my sauna, I felt very relaxed & I enjoyed a walk around Slaithwaite. I visited a cafe and bookshop where I spent money. I think the presence of Iglu sauna will be good for the local economy as users like me who have travelled in from say Leeds, will possibly say in Slaithwaite after their sauna to visit the local shops, have a meal and/or drink. Local sauna users will benefit from the physical and mental health benefits of sauna use.
