The sauna is a fantastic use of previously unused land alongside the canal towpath. I have visited several times and find this sauna incredibly well managed and run. It is a great community asset. Sauna culture is a valued part of life in other countries such as Finland and Sweden. It's brilliant to have this opportunity, which supports wellbeing in the Colne Valley. They offer concessionary rates to people who might not be able to afford sauna access, which is another excellent plus point for this business.
