Iglu Sauna has been a great addition to Slaithwaite's ongoing renaissance. The business has helped to greatly improve a previously unloved part of the canalside and is helping to drive new footfall into the broader community. Slaithwaite was once famed for it's Spa on the River Colne where locals and visitors would come to enjoy the therapeutic benefits of heat and cold; Iglu has created a modern connection to the village's history. More of it. In times like these, we need a place to go and relax.
