The good location, being close to the town centre, less than 10 minutes from Slaithwaite train station, and yet feeling peaceful and natural. Community health benefits for Kirklees residents, with affordable pricing including concessions for those that need it most. Improves the quality of life for guests, providing a welcoming space to switch off from the outside world, relax, and connect with others. iglu boosts Slaithwaite's visitor economy, with guests visiting the sauna and staying on to spend at other businesses. The eco-friendly aesthetic: including the wooden structures, natural planting, and greenery. Sustainable travel: the site actively encourages walking and public transport to minimise parking issues and promote healthy living. Local job creation: iglu's team directly supports the infrastructure and economy of the local area. Minimal external impact: low noise levels, thoughtful lighting, and subtle design. Local business collaboration: iglu works closely with other independent businesses and tradespeople to support Slaithwaite's broader economy.
