<p>To the Kirklees Planning Department,</p> <p>I am writing to formally express my support for the planning application (Ref: 2026/90446) regarding Bottle & Co in Denby Dale.</p> <p>As a resident of the area, I believe this micro bar provides a high-quality, relaxed social space that significantly adds value to our local community. Unlike standard retail units or other proposed uses, Bottle & Co offers a unique environment that encourages community engagement and supports the local economy.</p> <p>Regarding the specific concerns about the beer garden, I believe the proposed 8pm closing time is an exceptionally reasonable compromise. It allows patrons to enjoy the outdoor space during the day and early evening while ensuring that local residents are not disturbed during later hours. In my experience, the venue is well-managed and respectful of its surroundings.</p> <p>Retaining this business is vital for the vibrancy of Denby Dale. I strongly urge the council to approve this application and allow this valued social hub to continue operating.</p> <p>Kindest regards.</p>
