Subject: Application 2026/90446 - Denby Dale Bottle & Co

I have visited the Bottle & Co a number of times with family living in Denby Dale. I am writing in support of this application and the service provided.

This bar is a welcome addition to Denby Dale and its community. It is well designed, presented, maintained and managed and is an attractive venue for young and old. The beer garden will add more flexible trading space thereby making the business more attractive and add to its long-term viability, especially in these challenging economic times. I would expect the local authority to support such an enterprise.
