<p>My family and I have become regular users of Bottle & Co in Denby Dale, and find it a welcoming environment for families with children. We regularly call in on a weekend for a drink, snacks and to play board games with the kids, often meeting up with friends who bring their own kids along too.</p> <p>The beer garden has also been a welcome addition since it opened. We occasionally will call for fish and chips from next door and enjoy them and a drink in the beer garden on a Friday lunch time, allowing for time away from our work desks to get some fresh air.</p> <p>I'm conscious that this space raised concerns when it was first established but the staff and management have always been clear on the behaviours expected of patrons both inside the bar and outside, in particular the curfew for using the beer garden. I would hope that residents nearby have seen that this is an addition to the community and that any fears they had have been put to rest.</p> <p>Please approve the ongoing planning for this business, which supports our community and nearby businesses.</p>
