<p>This venue is great and has brought life back to Denby Dale, the beer garden at the back is a very nice space and use of what was derelict land, rather than it being yet another vape shop or Turkish barber it brings a space that is enjoyed by many people and has a unique style with specialist beers. 8pm closing for the beer garden for residents is more than reasonable, I think 10pm would be more of a compromise. I support this application and it should be approved.</p>
