| <p>I believe the new micro pub has proved to be a real asset to Denby Dale since its opening, adding to the character of the area. I visit at least weekly for the Bookclub held there and that and other social events such as the weekly quiz and games nights have benefited myself and many others, forging friendships and support as well as the enjoyment of an evening out, I have witnessed that the staff very strictly adhere to the rules restricting the use of the beer garden which I think are very generous towards the local residents and that in the summer to be open to at least 9 would be far more suitable and still fair.</p> <p>I am in favour of this application for this great business.</p> | |
