2026/90446

Dear Kirklees Council,

I am writing to express my strong support for keeping the beer garden at The Bottle & Co Denby Dale open.

It's a great place to go and serves the community well.

My friends and I enjoy sitting out when the weather is nice, and so do all the other customers.

I think that the 8 pm curfew is very reasonable for the outside space, too.

I do really hope that we can continue to use this space this year and for many years to come.

Regards
