2026/90446 Dear Kirklees council I am writing in support of Bottle and Co Denby Dale. What a fantastic venue. We were so excited when the bar opened and having the outdoor space is great. Me and my group of friends love it. It's great for families in the summer and the only outdoor venue we have providing music. It is never rowdy just very pleasant and a lovely social area. Please let us keep it.
