| <p>To whom it may concern,</p> <p>I am writing to express my strong support for this planning application relating to Bottle & Co in Denby Dale.</p> <p>Bottle & Co has become a valued and positive addition to the local area, providing a relaxed and welcoming social space that is clearly appreciated by both regular patrons and occasional visitors. The venue offers a community-focused alternative to more disruptive or less community-oriented uses, and its presence contributes to the vibrancy and appeal of the local high street.</p> <p>In particular, the conversion of this building from a retail unit into a micro bar represents a thoughtful and appropriate use of the space. It supports local economic activity while also fostering social interaction in a controlled and respectful environment.</p> <p>I understand there have been concerns regarding the beer garden; however, measures such as closing the garden at 8pm demonstrate a reasonable and balanced approach that respects nearby residents while still allowing the business to operate successfully. This compromise shows a clear willingness by the owners to engage responsibly with the community.</p> <p>Additionally, events such as live music weekends and the use of the outdoor space during the summer months add genuine value to the area, enhancing community life without causing undue disruption.</p> <p>Overall, I believe Bottle & Co is an asset to Denby Dale and should be supported in retaining its planning permission. I respectfully encourage the council to approve this application.</p> | |
