The proposed land is in trust left to the community for sports and recreation use not residential. The proposed access is an accident waiting to happen at such a busy junction with Barnsley Road. With parked cars on Barnsley Road and 4 driveways one of which is a children's day nursery at the bottom of Lower Common Lane with at least 40 cars dropping off and picking up every day and parent's parking on white lines and Keep clear road markings in stead of using the car park making the road narrow and a danger for both pedestrian and other road users. I think highways need to take a look at the dangers of yet another driveway at the bottom of Lower Common Lane.
