User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This land should not be allowed for building due to the impact on nature and surrounding residents, it's only use should be recreational with residents in mind, how has the planning even been passed for such a large dwelling? How much has the council been paid to get this passed ? Have the local residents been involved in negotiations? As a local resident I strongly disagree with the idea of building work happening in the area.
