<p>I strongly object to this application on multiple grounds:</p> <ol style="list-style-type: none">1) incomplete application - who owns the land no details provided, can this land be developed/sold as it would appear to be in charitable ownership2) access - appears very narrow and would be squeezed between two adjacent properties opposite a nursery car park entrance causing access and egress issues3) pedestrian right of way - the proposed access even though overgrown was a pedestrian right of way to access the sport field, how is this to be retained4) removal of trees/shrubs including a willow tree5) application states a 2 storey development but the plans suggest its a 3 storey development6) development is totally out of context with the surrounding properties and the wrap around 'balcony' will be overlooking all neighbouring properties reducing privacy for current residents
