User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I object to the plans of this, batley is already bad with traffic, then were getting a brand new one way system which is going to make it even worse never mind a mosque in town centre,there is already 18 mosques in the batley area, not to mention one is already getting built next to al hikmah centre, these all stated are just batley and not including dewsbury,birstall and heckmondwyke postcodes, batley used to be a good little town with lots to offer, what do we have now that we need as a community? Nothing, money spent in all the wrong places Lets not make it even more chaos in the shamble town of batley.
